# Boat Requirements

- Your boat must be safe, seaworthy and appropriate for open water.
- Kayaks and rowing shells under 13' and paddleboards under 10' in length are prohibited.
- Race number to be fixed securely to the top of bow or stern. Duct tape will be provided.

# Personal Requirements

- You must have a Coast Guard approved PFD on board your vessel.
- You must carry a noisemaking device such as a whistle or horn.
- You must be capable of self-rescue in any conditions that may be present on race day.
- Surfskis, Outrigger Canoes and Stand-up Paddleboards must have a functional leash attaching paddler to craft.
- Failing to meet these requirements will result in disqualification from the race.

Please don't crowd the boat launch. Some larger rowing vessels need the space.

There is a sandy beach at the south end of the waterfront park that is suitable for hand-carry craft.

You may get on the water at any time before the race to warm up but please stay clear of the start line from 9:45 to 10:00.

There is plenty of space to warm up north of the bridge

# Dangers

- Strong currents may be present. Be cautious around any fixed object such as channel markers, log booms, docks or jetties.
- The Channel is used by many commercial and recreational boaters and is restrictive to navigation. Give room to any vessels you encounter.
- There are under water hazards along the shorelines that may damage rudders or keels.

# Safety

- PFD and whistle are required
- You must have the ability to self-rescue
- Surfskis, OCs and SUPs must have a securely attached leash
- High visibility clothing is recommended
- Please carry a VHF radio and/or cell phone in a waterproof bag
- Use good and honest judgement about your abilities and the conditions present

# Safety continued

---

You are obligated to aid any racers in distress. Be sure they are in their boat and underway before leaving them. Time spent assisting will be credited to you.

---

There will be 4-5 motorized safety boats on the water. If you require assistance signal them by waving your hand, paddle or oar over your head.

---

In the event of a cancelation of the race AFTER the start, the safety boats will fire signal flares and direct racers to return to shore.

# WHALES

---

If you encounter a Southern Resident Killer Whale you must maintain 400 yards distance

# At the Finish

- Your finish will be signaled by a short blast from the horn.
- Please keep clear of the finish line after you have completed the race.
- Return your race number to the Timer's tent as soon as possible.
- Head to the shelter for lunch and awards.

# Lunch

We will be serving a variety of hearty soups and sandwiches to refuel you after the event. If you have any dietary restrictions, please notify the servers.

# Awards

- Ribbons will be presented to the top three finishers in each category.
- Special laser-cut awards will be given to the top overall Female, Male and Mixed finishers.
- The Perseverance Award will be presented to the racer who spent the most time on the course.

# Thank You

We appreciate your participation in this Sound Rowers event.

Thank you for continuing the legacy of fun and competitive racing in the Northwest.

Please attend the pre-race Zoom meeting for any clarifications or last-minute changes.
